

22 February 1971

Dear Paul:

Congratulations on the 30th anniversary of the Foreign Broadcast Information Service and thank you most warmly for your very nice letter of 11 February.

We have always enjoyed the very best of working relationships with FBIS and I can truthfully say that this is one of the most efficient and productive operations we have. The personnel who are involved in it in our General Printing Plant take a considerable amount of pride in the work they do and I feel that they have a personal commitment to the support of FBIS publications that is commendable.

The fact that FBIS is celebrating its 30th anniversary speaks for itself relative to the value of your product. My very best wishes for many more years of achievement.

Sincerely,

Chief
